

The Radiations and Physical Elements that cannot be seen by the Normal human eye.

1. Earth's Gravity.
2. The atmospheric air that surrounds us.
3. Our body's Aura/Corona field.
4. 99 % of the Magnetic Radiation that comes from the Sun's Fusion. The sun's radiations are UNMODULATED and UNPOLARIZED.
5. Earth's layers of Troposphere, Ionosphere and the Ozone.
6. 380 to 500 "MAN MADE MODULATED" Radio Frequency Electromagnetic Radiations coming into your home. These are Vertical, horizontal, and Circular polarized Radiations.
7. The 400 satellites with their Radiation Circular Polarizations above Seattle that are radiating down on us.
8. Radiating Harmonic Frequencies from all of the Magnetic Radiations.
9. Earth's Iron and Nickel Geopathic Radiation Magnetic flux Field passing through our bodies that reach 4000 miles into space.
10. The 24,000 plus AM/FM/TV radiating signals in the USA. Tacoma newspaper shows 33 AM and 36 FM radio stations.
11. Radiation from SEATACS 1100 daily Aircraft operation and The Planes High Power onboard Weather Radar.
12. The 7,000 Worldwide Short Wave VHF, UHF and AM/FM Signals.
13. The four different Doppler Weather Radars around Seattle.
14. The 9,000 plus Mobile Radios used by police and taxi's in WA State.
15. The 2.4 Million cell phones in WA State that use 4-5 Thousand towers.
16. The 4.3 Million Ham radio stations in America and thousands Of Citizens Band radios.
17. Earth's 3 band Hartmann and 2 bands Curry Radiation Grids.
18. Earth's Schumann Resonance Waves.
19. Earth's Geopathic radiations.
20. The automated Gas and Electrical meter reading radiating Systems.

Remember: The Earth's OZONE DOESN'T PROTECT US from all of The above Man Made Modulated Electromagnetic Radiations.
